

# Mount Sinai

MEDICAL CENTER

Founded in 1949, Mount Sinai Medical Center is a private, not-for-profit teaching hospital dedicated to providing world-class medical care. With more than 700 physicians in virtually every specialty, Mount Sinai is the hospital of choice for those who seek the level of expertise and care that only a teaching hospital can offer. Our Centers of Excellence combine technology, research and academics to provide innovative and comprehensive care in Cardiology/Cardiac Surgery, Neurology, Oncology and Orthopaedics.

Mount Sinai Medical Center is dedicated to meeting the needs of International patients and their families. Located in beautiful Miami Beach, Mount Sinai is a destination for the highest quality of medical care and offers a pristine beach destination for recovery.

An academic, not-for-profit medical center, Mount Sinai was ranked as one of America's Best Hospitals in neurology/neurosurgery and geriatrics by *U.S. News & World Report*. Our outstanding physicians combine technology, research and teaching to provide innovative and comprehensive care. Our Cardiology, Cardiothoracic Surgery and Urology programs are affiliated with New York's Columbia University, one of the nation's top medical schools and a leader in medical research and advances. Our other Centers of Excellence include Neurology, Oncology and Orthopaedics. Our experienced physicians specialize in the latest minimally invasive procedures and surgeons from around the world travel to Mount Sinai to learn our innovative techniques.

## Concierge Services

At Mount Sinai Medical Center, our team takes great pride in providing International patients and their families with highly personalized services. The staff members of the International Center are compassionate and sensitive to the special needs of all cultures, striving to make their experience at Mount Sinai and in Miami Beach as pleasant as possible. We offer specialized services such as:

- Assistance with local transportation
- 24-hour translation services in more than 30 languages
- Transfer of medical records to and from your primary physician
- Accommodation of special nutritional or spiritual needs
- Assistance with any pending concerns after your discharge from the hospital

While you're recuperating, we'll even be happy to assist you and your loved ones with advice and directions to local restaurants, shopping destinations and other attractions.

## Financial Assistance for International Patients

The International Center representatives will work closely with your insurer(s) to make sure all paperwork is filed properly and that you receive the maximum coverage allowable by your insurer. If you do not have insurance, financial counselors will be happy to provide you with a discounted self-pay estimate for hospital services. For your convenience, our staff can also assist with handling deposits, wire transfers and other financial matters before, during and after your visit.
